**Innovate. Advance. Lead**

# BASIC
# MEMBERSHIP SERVICES

Our BASIC Membership Support Package is ideal for small businesses or start-ups looking to integrate a secure and reliable infrastructure.

## TAKE YOUR BUSINESS TO THE NEXT LEVEL

Affordable IT support and Great Customer Service is hard to come by. Allow us to elevate your business by providing BOTH services at once!

### On-Site Support

BASE Support comes with On-Site support during working hours only. (8am to 6pm Monday - Friday) and includes 3 FREE Service Visits.

### Proactive Monitoring

By actively monitoring your entire infrastructure we can mitigate any chances of downtime or failures. We monitor for potential threats as well as degradation of systems.

### Data Management

We can develop a secure Data Management plan that will ensure your data is not only secured but reliably stored. This can be done with hardware on-site or remotely in the cloud.

## About us

CAM Technology Solutions consists of highly trained and certified IT experts. We pride ourselves on not only being able to solve the most complex issues but by providing outstanding and sincere customer service while doing so.

## Why Choose us

- ✓ High level customer service and IT knowledge.
- ✓ We work with the budgets of small companies because we understand the struggles of being a small business
- ✓ Our trusted service is fast and reliable.
- ✓ Service Disable-Owned Small Business
